**PRIDE OF WORKMANSHIP AWARD****Do it once, Do it well, Build a Better Australia**

Pride of Workmanship provides employers with the opportunity, through Rotary, to recognise and acknowledge the efforts and contributions of an employee who consistently achieves an overall high personal standard and work performance.

Ryde Rotary Club is once again hosting a Pride of Workmanship Awards night, on May 1<sup>st</sup>. If you know of someone who is a worthy recipient of the Award, please speak to Tom Geroulas, who is coordinating the Ryde Rotary 2018 Pride of Workmanship Award.

Apart from the recognition of outstanding individuals in our community, the presentation of awards is an excellent opportunity to network with local business leaders and invite potential new members into the Club.

Another Tuesday evening and another Rotary meeting. This time, it was **PE Bob Kaye-Smith's** turn to chair the meeting..Four special guests were welcomed to the meeting: **Nikki Dodds** and **Nathan Moles** of the Salvation Army, and **Rotarian Laura** and "better half" **Victor** of Circleville Rotary Club, Ohio. Bob Kaye-Smith congratulated those members celebrating Club anniversaries this week, before reading a few fun facts about April 3<sup>rd</sup>. On this day in 1993, the first mobile phone call was made in New York whilst in a world first for women, **Miriam Hargrave** took more than one attempt to pass her driving test; 20 different instructors and 450+ hours of lessons!

The humble fish n' chips was served as extended fellowship was enjoyed before Bob Kaye-Smith announced five members of Ryde Rotary who will be busy this weekend at President Elect Training: Bob Kaye-Smith, **PP Jade Catherall**, **PP Geoff Brennan**, **IPP Julie Thorp** and **DGN Kalma McLellan**.

**Ella Hens** gave her update of the past fortnight, where she hasn't been up to too much. It began well, with attending a concert of singer **Dua Lipa**, with fellow exchange students. Ella then went to TGIF for dinner with **Ayesha Jadhvani** and **Grace Moyo** on the Friday night. For the weekend, a Safari briefing, volunteering at Rowan's bike ride and a visit to the Easter show took place. Girl Guides last week was an Easter egg hunt. Ella joined the **Price family** in Port Macquarie for the Easter long weekend. There, they went on a koala statue scavenger hunt, saw dolphins, visited the koala hospital, spent too much money shopping, and watched sunsets and sunrises. We'll probably need a full guest speaker slot for Ella's return from Safari!

**Tom Geroulas** updated everyone on the Pride of Workmanship Award, which is steadily moving along. There's now enough nominations for the evening and a potential keynote speaker, but we are after more nominations and possible other keynote speaker suggestions. Download the nomination form from the District website or speak to Tom if you require a paper copy. More fellowship was called for.

Having a good try at overtaking **Dennise Herrick** in spackle wins, **PDG John Dodd** drew the winning ticket and claimed a wine. He was fined for both his win and his earlier chatter. Another fine was thrown to John Dodd and **PP Adrian Hallett** for hogging all of the speakers. Our President Elect was charged a fine by the Serj for asking our Serj/Vocational Chair if he wanted to speak about Club Service during the evening. Only four months too early Bob! Laura and Victor were charged visiting Rotarians tax, in which John Dodd kindly chipped in for (with whatever money he had left!) John Dodd, feeling generous after his wine win, fined **PP Ken Allen** for running into him at the hospital.

Bob Kaye-Smith then introduced Adrian to introduce our two guest speakers: Nikki and Nathan of the Salvation Army. Nikki has been volunteering for the Salvation Army for the past 21 years and is the current Ryde area Red Shield Appeal coordinator, whilst Nathan is a community coordinator for the Salvation Army and spent a number of years living in Ivanhoe Estate. With 268 houses in Ivanhoe Estate, it was the largest area of Government housing in the City of Ryde. Between 1989 and 2000, the community struggled and generally didn't function. The Salvation Army spent the next 17 years working with and living within the community to improve it to the trusted residential community that it is now. Nathan then finished by thanking **PP Bob Carroll** for his tireless effort during the Christmas appeal. Nikki then briefly thanked Ryde Rotary Club for the time and energy we contribute each year for the various appeals. Kalma thanked Nathan and Nikki.

## THE ROTARY VISION

Rotary is a worldwide organisation of more than 1.2 million business, professional, and community leaders. Members of Rotary Clubs, known as Rotarians, provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world.

There are over 34,000 Rotary clubs in more than 200 countries and geographical areas. Clubs are non-political, non-religious, and open to all cultures, races, and creeds. As signified by the motto "Service above Self", Rotary's main objective is service - in the community, in the workplace, and throughout the world.

## THE FOUR-WAY TEST

of the things we think, say or do

1. Is it the Truth?
2. Is it fair to all concerned?
3. Will it build goodwill & better friendships?
4. Will it be beneficial to all concerned?

## ROTARY GRACE

Oh lord and giver of all good
